

SCOOPY-DOO AND GUESS WHO?

"TOGA, TOGA, TOG-AHH!"

Jeepers! It's Sabrina Carpenter!

Written by

Bradford N. Smith

COLD OPEN

EXT. STILLWALL UNIVERSITY - DAY

AMBER, a quirky, brunette twenty-something, leads a pack of PARENTS and TEENS across a brick courtyard, to a large, stone fountain of a man, hanging by a rope, on the side of a steeple. Water spurts from the steeple's spire.

AMBER

This fountain marks the center of campus and portrays Stillwall University's beloved mascot, the Stillwall Steeplejack. From this location, you can see the library, the bookstore, several department buildings and "Greek Row."

She points down GREEK ROW, a perpendicular street lined with large, American Colonial homes. Each has Greek letters plastered on their facades. A MOTHER raises her hand.

MOTHER

Isn't it true sororities and fraternities create an unsafe environment for students?

Her son, SAM, covers his face, super embarrassed.

AMBER

Not exactly. Stillwall University takes student safety very seriously and is actually in the process of passing some new rules this week.

MOTHER

Well, I still think they're highly dangerous. [TO SAM] Sami, you better not join a fraternity.

SAVANA, a punk rock teen, raises her hand.

SAVANA

Yo. Does that mean there aren't any parties?

AMBER

We should probably stay focused on campus life.

SAVANA

Yeah, but, like, what about parties?

Amber leads the group away from the fountain.

AMBER

Why don't I show you all our
biggest department building, Magnus
Hall? It's home to our nautical --

DEATHLY DELTAS (O.S.)

Toga! Toga! Toga!

With a sigh, Amber stops.

AMBER

Can we please stop the party talk?

SAVANA

That wasn't me.

Driving a motorcycle up the middle of Greek Row, the DEATHLY DELTAS, a trio of toga-clad zombie college frat bros, head directly towards the group. They resemble Bluto, Otter and D-Day from *National Lampoon's Animal House*.

DEATHLY DELTAS

Toga! Toga! Toga!

MOTHER

What did I tell you? Nothing but a
bunch of hoodlums and ne'er-do-
wells.

AMBER

Those aren't students --

The Deathly Deltas reach the group. At that point it's clear this is a threesome of the undead.

AMBER

-- they're monsters!

Amber runs away. The parents and teens exchange concerned looks, then do the same. The Deathly Deltas leap into the fountain, dumping in bubble bath and causing it to foam up.

END OF COLD OPEN

ACT ONE

EXT. STILLWALL UNIVERSITY - DAY

CUSTODIANS clean up the fountain as Daphne, Velma, Fred and Scooby follow Shaggy into the courtyard. Shaggy reviews a map of campus, a bit unsure.

DAPHNE

I can't believe we're already looking at colleges... and for Shaggy!

VELMA

This has been a weird year.

SCOOBY

I'm proud of him.

FRED

Me too, Scooby.

SHAGGY

Okay, like, I think I finally figured it out. This is where I'm supposed to meet the campus guide.

VELMA

Only twenty minutes late.

SHAGGY

I think the map's not to scale.

VELMA

I think the two hours we spent in the Dining Hall are more to blame.

SHAGGY

Scoob and I have a pretty strict dining requirement for wherever we go to school.

SCOOBY

It's a rigorous process.

SABRINA (O.S.)

Norville?

SHAGGY

Yeah?

SABRINA CARPENTER rounds the fountain, dressed in a Stillwall University letterman's jacket and jeans.

GANG

Singer, actress and stage performer, Sabrina Carpenter?

SABRINA

Hi, everyone! I can't believe you're still here. I'm super late. I'm so sorry... You know those little robots that drive around campus delivering food? Yeah, I totally got run over by one. Didn't know that could happen, but - well - I guess it can. [LAUGHS]

DAPHNE

Don't worry, we just got here.

SABRINA

Perfect! Not to be a bore-ville, but I've got to ask... Which of you is Norville? [CHUCKLES] Get it?

Shaggy raises his hand.

SHAGGY

Everybody calls me Shaggy.

SABRINA

Oh. Cool, cool. I can do that. And who are the rest of you?

FRED

We're here for support. I'm Fred, that's Daphne and Velma --

SABRINA

And who's this adorable guy?

SCOOBY

[BLUSHES] Scooby-Doo...

SABRINA

Well, it's nice to meet you all and I'm excited to show you around! Let's start with the library. Follow me!

They head off.

Sabrina walks backwards as they head across campus, performing for the gang in the most "tour guide" way imaginable.

SABRINA

To our left is Bascomb Tower, the oldest building on campus. It used to be a bell tower, but is now primarily used by frat dudes to throw stuff off of. [TO SHAGGY] What are you planning to major in?

SHAGGY

I haven't really decided yet.

SABRINA

That's cool. I'm double majoring in theater and music, with a minor in aeronautical engineering.

VELMA

You're --

Stunned, Velma trips and falls into a bush.

SABRINA

Whoa! Are you okay?

Sabrina helps Velma to her feet.

VELMA

Did you say you have two majors and a minor?

SABRINA

Yeah! I couldn't decide where I wanted to focus, so I just picked everything. [TO SHAGGY] Maybe that's what you could do?

The idea terrifies Shaggy.

SHAGGY

[NERVOUS LAUGH] Or not.

EXT. CARSWELL LIBRARY - MOMENTS LATER

An exquisite piece of Romanesque architecture, it could easily be mistaken for a wing of Hogwarts.

Just outside the building, a swarm of COLLEGE STUDENTS protest, led by NOLA, a purple-haired sorority sister in a wheelchair. She does not have either of her legs.

NOLA

Get our quote, stop the vote!

The others protesting join her chant. Sabrina and the gang arrive at the back of the crowd.

FRED

What's everybody so angry about?

SABRINA

The Greek houses are protesting some new rules they're voting on in a couple days.

DAPHNE

New rules? Have they been getting into a lot of trouble?

SABRINA

Not any more than the usual pranks and things. [THEN] Unless you count the Deathly Deltas.

VELMA

Deathly who?

SABRINA

I've only heard rumors, but I guess there's a group of zombie frat guys going around, making a mess. They filled the fountain with bubble bath, toilet-papered the student union, put a horse in the Dean's office... that sort of stuff.

SHAGGY

Did you say z-z-zombies?

SABRINA

I mean, yeah, but not like that.

FRED

Sounds like we've got another mystery on our hands.

DAPHNE

It looks like it too!

She directs their attention to the Deathly Deltas, driving through campus on a motorcycle.

DEATHLY DELTAS

Toga! Toga! Toga!

The protestors scatter as the Deltas do donuts in front of the library, leaving tire tracks everywhere. Nola tries to keep everyone together.

NOLA

Hey! Wait!

DEATHLY DELTAS

Toga! Toga! Toga! [LAUGHS]

Having left significant tire stains across the area, the trio speed off.

SABRINA

Huh. Guess the rumors are true.

SHAGGY

That settles it. This is a no for me. Thanks for the tour, but I want a completely ghost-free college experience. Scoob?

Scooby looks at an app on his phone.

SCOOBY

Car's on its way.

Velma snatches the phone from him.

VELMA

Oh no you don't, you chickens. Come on.

They walk over to Nola.

NOLA

I can't believe it! They completely ruined my protest... again!

DAPHNE

Did you organize all of this?

NOLA

I did.

SABRINA

Nola's kinda the "Queen of Protests" around here. You got a problem, she'll fight it. [REALIZING] Or fight for it [THEN] You get it.

NOLA

We've been out here three days and each time those monster frat bros have interrupted us.

VELMA

Are you a member of one of the sororities on campus?

NOLA

No, some of the house leaders got together and asked me to organize this. To be honest, none of the protesters are active, they're all rushes. The houses made this part of their rush week so they could prepare for the actual hearing.

VELMA

Which house is that trio from?

SABRINA

The Deathly Deltas? Delta something, I guess.

NOLA

I didn't recognize their letters.

VELMA

Jinkies! Sounds like the perfect excuse to explore the library!

INT. CARSWELL LIBRARY - LATER

Fred looks at a car magazine, Daphne reads a book of poetry, Shaggy sleeps and Sabrina and Scooby play with a paper fortune teller.

VELMA (O.S.)

Found them!

The camera whips over to reveal Velma at a large desk, surrounded by books. The LIBRARIAN shushes her.

VELMA

Sorry.

Sabrina and the gang gather around Velma and look at a yearbook. The Deathly Deltas appear in a fraternity photo, though in a non-zombie state. They're surrounded by very few other members, outside a run-down frat house.

VELMA

This old yearbook says they were part of Delta Upsilon Mu.

Shaggy thinks out loud, putting the three letters together.

SHAGGY
Delta... Upsilon... Mu... Doom?

VELMA
Not quite, Shaggy. Delta's more of a "th" sound and Upsilon's an I, like in "machine".

SHAGGY
Theme?

SABRINA
I'm pretty sure that's not on campus anymore.

VELMA
I think you're right. The caption says these were their last members before the university revoked their charter for rule violations.

FRED
Sounds like our monsters are out for revenge.

SABRINA
Then why disrupt a protest against more rules?

SHAGGY
But, like, more importantly, why do they have to be our monsters? I don't even go here.

VELMA
Maybe we'll find some answers at their old house...

They look at the frat house in the photo.

FADE TO:

EXT. OMEGA SIGMA RHO HOUSE - LATER

Sabrina and the gang stand before the same house from the photo, only now it looks brand new.

SABRINA
Something seems different.

END OF ACT ONE

ACT TWO

INT. OMEGA SIGMA RHO HOUSE - DAY

Sabrina and the gang enter a classy, all-white foyer, looking out of place.

DAPHNE

Hello?

SIMMS (O.S.)

Yes?

Startled, they scream as they discover SIMMS, a stereotypical British butler, standing behind them.

SIMMS

Hors d'oeuvres?

He offers a tray of mini quiche.

SCOOBY

Thank you.

Scooby takes the tray and dumps them all into his mouth.

SIMMS

I -- uh --

VELMA

Is this the old Delta Upsilon Mu house?

Descending a grand staircase, dressed upsettingly preppy, HENRY MASTERS, an obvious product of "old money," laughs.

HENRY

Was. [THEN] That'll be all Simms.

SIMMS

Yes, sir.

Simms exits.

HENRY

Henry Masters. Omega Sigma Rho legacy. Is there a reason you've invaded our house?

VELMA

We were hoping there might be something here from the old fraternity.

FRED

Maybe in a basement we could investigate or a storage room...

HENRY

Any Delta garbage found in this building was burned, as it deserved to be. You'll find there's none of it left anywhere on the premises.

FRED

Would you mind if we still had a look around?

HENRY

[SIGHS] Fine, I suppose...

He waves his hand and returns upstairs.

FRED

Okay, Shaggy, you and Scooby explore this floor with Sabrina. Daphne, Velma and I will check out the basement.

SABRINA

Would it be cool if I maybe made like a limbo champ and went so-low?
[OFF LOOKS] Solo. Alone. By myself.

FRED

Oh. Are you sure?

SCOOBY

What's wrong with us?

SABRINA

Nothing! No, no, no, that's not it at all. I just thought somebody should probably check upstairs to make sure we cover everything.

FRED

Good idea. You take the upstairs. We'll meet back here.

They split up.

INT. KITCHEN - MOMENTS LATER

Shaggy and Scooby walk past the entrance, then hurriedly backtrack. Simms bakes pastries. They smile at each other.

CUT TO:

Shaggy and Scooby enter, dressed as health inspectors.

SHAGGY
What have we here?

SIMMS
I beg your pardon?

SHAGGY
Like, looks like a code eight...

Scooby peeks in an oven.

SCOOBY
Code nine.

Shaggy looks in the oven.

SHAGGY
Yikes. You're right.

SIMMS
Who are you exactly?

SHAGGY
University Health Department. Got a complaint about some undercooked asparagus.

SIMMS
Asparagus?

SCOOBY
Asparagus.

SHAGGY
We're gonna need to sample everything that's been cooked, baked, sautéed, deep fried or grilled here in the past week.

SIMMS
Oh my. Everything?

SCOOBY
Everything.

Simms hurries to the fridge, opening it to reveal enormous amounts of food.

SIMMS

Better have a seat, this has been a busy week.

Shaggy and Scooby's mouths water.

INT. BASEMENT - SAME

Daphne, Velma and Fred step around boxes and shelves full of abandoned household items.

DAPHNE

Why do basements always have to be so disgusting?

She waves a cobweb off her hand.

VELMA

It doesn't look like anybody's been down here in a while. Nothing seems to have been touched in years.

Velma wipes a finger across a shelf, collecting a thick layer of dust.

FRED

What about that?

Ahead of them, a telephone booth sits against the wall.

DAPHNE

That's funny. It looks brand new.

Fred gets in and lifts the phone to his ear.

FRED

Weird. It's not even connected.

As he sets the phone back on the receiver, he triggers a sliding wall, revealing a hidden passage.

DAPHNE

Jeepers! There's more to this house than meets the eye.

INT. UPSTAIRS HALLWAY - SAME

Sabrina creeps cautiously past various open doorways. Most of the rooms appear to be empty, except for the occasional FRAT GUY playing a video game. She slips in a puddle and lands on her back. She sniffs the liquid.

SABRINA
[TO HERSELF] I hope this is soda.

HENRY (O.S.)
Yeah. There's a group of them.

She rolls herself to a door opened only a crack and watches Henry pace, on his cellphone.

HENRY
No, I let them look around. [THEN]
They're not going to find anything.
It's safe.

SABRINA
[WHISPERED] Busted.

INT. HIDDEN ROOM - SAME

Daphne, Velma and Fred emerge into a space filled with Delta Upsilon Mu memorabilia. Jackets, pennants, posters and more surround a meeting table and chairs.

VELMA
It looks like a secret meeting
room.

DAPHNE
But the Deltas don't exist anymore.

FRED
Seems like whoever's meeting in
here never got that memo.

Velma flips through a large, leather-bound sign-in book.

VELMA
This goes back decades.

She reaches the first page of the book.

VELMA
Wait a minute. I think these are
the same names from that yearbook
photo.

DAPHNE

Let me see.

Daphne looks at the book.

DAPHNE

I took a photo of that page on my phone. Hang on.

She swipes through her phone and enlarges a photo. Setting it next to the book, it's easy to match the names between the two - BRUNO, DANNY, ERIC and so on.

DAPHNE

They never stopped being a fraternity, they went into hiding.

A BLONDE FRAT GUY arrives at the room's entrance.

BLONDE FRAT GUY

Who are you?

INT. UPSTAIRS HALLWAY - SAME

Sabrina continues to spy on Henry.

HENRY

Fine! Relax. I'll take care of it.

He hangs up. Sabrina turns to leave and finds herself face-to-face with two muscular frat guys.

SABRINA

[CHUCKLES] Is this not the gym?

ASIAN FRAT GUY

What are you doing?

SABRINA

Leaving, actually... I'll just --

She tries to step past them, but they block her path.

SABRINA

Let me move you...

Sabrina struggles to move a FRAT GUY WITH SHADES.

SABRINA

No? That not an option?

CUT TO:

INT. OMEGA SIGMA RHO HOUSE - LATER

Back in the foyer, Henry looks over Sabrina, Daphne, Velma and Fred. They're surrounded by intimidating frat guys.

HENRY

Well... well... well... Couldn't mind your own business?

He lifts a paddle off the wall.

HENRY

Guess I'll have to make sure you --

He counts them, then turns to the blonde frat guy.

HENRY

Where are the other two? The dog and the kid with the little beard.

BLONDE FRAT GUY

There were only three in the basement.

HENRY

[TO ASIAN FRAT GUY] And you?

ASIAN FRAT GUY

She was by herself.

SIMMS (O.S.)

They're in the kitchen, sir.

Again, Sabrina and the gang scream, startled to discover Simms standing behind them.

SHAGGY

Like, what's the matter, guys?

Shaggy and Scooby enter with plates full of food.

SHAGGY

Is there a party or something?

HENRY

Get them!

The frat guys go for Shaggy and Scooby, but they run. Henry turns back to the others, but they're gone. He yells out in frustration.

EXT. GREEK ROW - MOMENTS LATER

Sabrina, Daphne, Velma and Fred run to a bus stop and try to catch their breath.

SABRINA

Those guys... are not nice.

VELMA

They're also... hiding something.

SABRINA

Oh yeah... for sure.

Shaggy and Scooby run up to them.

SHAGGY

What was that all about?

FRED

We found... some clues.

SHAGGY

Are you guys okay?

DAPHNE

Why aren't you... out of breath?

Shaggy and Scooby look at each other and shrug.

SHAGGY

Guess we're just used to running.

SABRINA

Very... insect bib.

SCOOBY

Insect bib?

SABRINA

Impressive... sorry... brain...
needs air.

Heading up the street towards them, the Deathly Deltas ride their motorcycle.

DEATHLY DELTAS

Toga! Toga! Toga!

VELMA

Are they... serious? Can't we...
catch our breath?

SHAGGY
[NERVOUS LAUGH] Monsters don't
usually give us options.

The campus bus arrives and opens its doors.

SABRINA
All aboard?

Sabrina and the gang hurry on.

INT. BUS - CONTINUOUS

As the bus departs, Sabrina and the gang find seats. The Deathly Deltas pull alongside them and start banging against the vehicle. One of them hops off the motorcycle and climbs onto the roof.

SHAGGY
Zoinks! They're right on top of us!

The emergency hatch on the roof is ripped open and the Deathly Delta leaps inside.

SABRINA
We're trapped!

He steps closer and closer to them.

BUS DRIVER
Greenway Stadium.

The bus stops and the other Deathly Deltas speed past. As the doors open, Sabrina and the gang look outside, then at the Delta, then back outside. They bolt out the door.

The Deathly Delta goes to follow, but the door closes and it smacks into it.

SABRINA
*We're smooth, we're sick,
We got away real quick!*

Sabrina and Scooby dance around victoriously.

VELMA
Not quite!

The other two Deathly Deltas spin the motorcycle around and head back towards them.

CUT TO:

EXT. STILLWALL UNIVERSITY - VARIOUS - MONTAGE

Sabrina and the gang run across a quad, the motorcycle hot on their heels. STUDENTS and FACULTY leap out of their way. They pass through a coffee shop and all emerge holding a cup of coffee. The Deltas chug theirs, but Sabrina and the gang throw theirs behind, into the Deltas' faces.

As the Deathly Deltas drive past a football field, they skid to a stop as Sabrina, Shaggy, Daphne, Velma and Fred perform as cheerleaders. They watch as the group forms a human pyramid, jumps around a bit, then holds a big banner. The STILLWALL STEEPLEJACK mascot crashes through the banner and confetti cannons fire into the air.

The Deltas pull the head off the mascot, revealing Scooby. He waves at them sheepishly.

SABRINA

Can't blame a girl for trying!

She winks at the camera.

A Delta swipes at Scooby's head, but he pops out the bottom of the costume and they all run off.

The Deltas drive past various club tables on a long stretch of sidewalk. Reaching the end, they stop and look back. There's nobody at any of the tables. The third Delta finally catches up to them. He hops on the motorcycle and they speed off.

Daphne, Velma, Shaggy and Fred slowly peek out from under a club table. Sabrina and Scooby fall out of a nearby tree.

SABRINA

Ow.

END OF ACT TWO

ACT THREE

EXT. STILLWALL UNIVERSITY - DAY

Sabrina brushes herself off as the gang climbs out from under the table.

SHAGGY

I really think Scoob and I aren't cut out for this school.

SABRINA

Aw... was it the tour? [OFF LOOKS]
Oh. The monsters. Right, right, right.

VELMA

We need to figure out a way to get back into the Omega house.

SABRINA

The Dean!

INT. ADMINISTRATION BUILDING - LATER

DEAN SLUGGER, a balding man who oozes upper class obnoxiousness, is flanked by professors, DR. NAJIB and PROF. OAKLEY. Sabrina and the gang follow them.

DEAN SLUGGER

Absolutely not.

SABRINA

Dean Slugger, you've got to believe us. We wouldn't make this up.

DEAN SLUGGER

Even if I did, Sabrina, I'm not going to authorize a raid on Greek Row right before this hearing.

VELMA

But it may be the only way to stop those Deathly Deltas from wreaking more havoc on the school.

DEAN SLUGGER

Then so be it. Their continuing havoc only better my argument for these new rules.

VELMA

Don't you want to give the Greek houses a fair shot? Wouldn't you have wanted that?

DEAN SLUGGER

[SCOFFS] I was never in a frat.

They reach an office door and stop.

DEAN SLUGGER

I appreciate the help, but until these rules go into effect, I don't intend to pursue any additional matters. End of discussion.

He heads inside with the professors.

DAPHNE

Now what?

SABRINA

I don't know about you, but I heard him say he wouldn't do anything, not that we couldn't.

She smiles sinisterly. Fred perks up.

FRED

I like the sound of that!

CUT TO:

EXT. CARSWELL LIBRARY - MOMENTS LATER

Nola again leads a large group of protestors. Sabrina and the gang wade through the group.

NOLA (O.S.)

Get our quote, stop the vote!

FRED

I don't like this.

DAPHNE

Not every plan can be a trap, Freddie.

FRED

I don't know how to respond to that.

VELMA

[TO NOLA] You got everyone back?

NOLA

Yeah, we can't let a few creeps stop us from having our voices be heard! [TO CROWD] Say it again! *Get our quote, stop the vote!*

SABRINA

Nola, we really need to ask you about the Greek house leaders --

DEATHLY DELTAS (O.S.)

Toga! Toga! Toga!

SABRINA

Oh no.

SHAGGY

Zoinks! Not again!

The crowd disperses as the Deathly Deltas speed in on their motorcycle. This time they spray paint lines along the ground as they drive.

DEATHLY DELTAS

Toga! Toga! Toga! [LAUGHS]

NOLA

Everybody stay together! Wait!

It's too late. The protestors have fled. The Deathly Deltas laugh as they empty their cans of spray paint on the cement.

NOLA

Why do they keep doing this?

SABRINA

Because the Omegas are the Deltas!

DAPHNE

They're trying to get revenge on the other houses.

The Deathly Deltas turn towards Nola, Sabrina and the gang.

SHAGGY

I think we better, like, make like a library book.

SABRINA

A library book?

SHAGGY
Yeah, and check out!

They run, but the Deathly Deltas are quick to catch up.

NOLA
Hop on!

Fred, Daphne and Velma jump on the back of Nola's wheelchair as she increases her speed. Nearing them, one of the Deathly Deltas reaches out his arm.

NOLA
Hold tight!

Nola pulls a brake. Her wheelchair skids to a stop and the Deathly Deltas speed past. The four breath a sigh of relief.

SABRINA
Uh... guys? I think the others ditched us.

SCOOBY
Typical.

SHAGGY
Yeah, at this point we kinda expect it.

DEATHLY DELTAS
Toga! Toga! Toga!

SABRINA
Well now they're gaining on us, so...

SCOOBY
Hide?

The three look at the open quad around them.

SHAGGY
Like, where are we gonna do that?

SABRINA
Bascomb Tower!

REVEAL: The bell tower sits to the right of them. The trio changes course, the Deathly Deltas not far behind.

INT. BASCOMB TOWER - MOMENTS LATER

Sabrina, Shaggy and Scooby climb a set of stairs, spiraling their way to the top of the tower.

The Deathly Deltas rev their engine as they enter the tower. Sabrina, Shaggy and Scooby lean over the railing to look down at them. The monsters turn around and leave.

SABRINA

Stairs - the natural enemy of the motorcycle. [LAUGHS] We did it.

The trio high-five.

Suddenly, the Deathly Deltas come back in, traveling at a high speed, and start ascending the stairs on the motorcycle.

DEATHLY DELTAS

Toga! Toga! Toga!

SCOOBY

Yikes!

SABRINA

Didn't see that coming.

They run up the stairs.

EXT. BASCOMB TOWER - MOMENTS LATER

Sabrina, Shaggy and Scooby emerge in the open area of the bell tower. The bell is long gone, but various garbage lays strewn about. A couch, some empty boxes, a bathtub, an ironing board, it's a hodgepodge of college dorm junk.

They slam the door shut, barricading it with the couch.

SHAGGY

We're trapped! There's no where to go but [GULPS] down.

Sabrina frantically looks around at their surroundings.

SABRINA

I've got an idea!

The pair glance at her, confused.

CUT TO:

MOMENTS LATER

The Deathly Deltas burst through the door, easily knocking the couch aside with the motorcycle.

DEATHLY DELTAS

Toga! Tog-- huh?

Sabrina and Shaggy sit in the tub, holding an ironing board and two fans. Scooby pushes it over the ledge and hops in.

SCOOBY

Bye bye!

The Deathly Deltas turn around and drive down the stairs.

EXT. STILLWALL UNIVERSITY - CONTINUOUS

Daphne, Velma and Fred watch as the tub falls from the tower.

DAPHNE

Shaggy! Scooby!

FRED

They're gonna crash!

INT. TUB - SAME

Sabrina positions the ironing board as wings and fastens it down with ropes.

SABRINA

Thumbs.

Shaggy, seated in front of her, eyes closed, offers his thumbs so she can tie a knot on either side.

SABRINA

Hands.

Scooby, eyes closed, offers his hands and Sabrina hands him two small fans and pulls his arms out to either side - so they can serve as "engines". She adjusts the angle of the ironing board and the makeshift tub plane soars up at the last minute.

SABRINA

Exhale.

She breathes a big sigh of relief.

EXT. STILLWALL UNIVERSITY - CONTINUOUS

The Deathly Deltas exit Bascomb Tower and speed after the tub plane. As it flies somewhat low to the ground, the monster trio climb on each other's backs to reach them.

DEATHLY DELTAS

Toga! Toga! Toga!

With their focus on the plane, the monsters fail to notice they're headed directly towards a tree. The top most Delta grabs the tub plane moments before Sabrina steers upward.

He lifts the other two Deltas off the motorcycle with him and they all get lodged in the branches of the tree as the tub plane barely clears it. The motorcycle crashes.

Sabrina turns the plane around and makes a gentle landing. Daphne, Velma and Fred run over.

SABRINA

Okay. We landed.

Shaggy and Scooby, open their eyes.

SHAGGY

[LAUGHS] Oh. Right.

SCOOBY

We knew that.

They step out of the tub as Nola and a bunch of protestors rush over. Stunned, Velma takes Sabrina aside.

VELMA

How'd you know to do that?

SABRINA

Aeronautical engineering minor.

FRED

Now, let's see who these Deathly Deltas really are!

He removes the mask of one of the Deltas dangling from the tree, revealing Dean Slugger.

EVERYONE

Dean Slugger?

Removing the masks of the other two reveals Dr. Najib and Prof. Oakley.

EVERYONE

Doctor Najib and Professor Oakley?

NOLA

But why?

BRUNO (O.S.)

I'll tell you why!

The protestors part as BRUNO and ERIC, older, non-zombie versions of two of the Deltas, lead the Omegas to the gang.

BRUNO

These three were Delta rushes, back in the day, who didn't make it into the frat.

ERIC

So they dressed like us to give the Deltas a bad name.

VELMA

And since it looked like students causing the problem, it was also Dean Slugger's way of insuring his new rules would pass, getting revenge on the entire Greek system.

DEAN SLUGGER

And they would've been too, if it weren't for you meddling prospective students and multi-talented undergrad, Sabrina Carpenter.

SABRINA

But if the Omegas weren't behind this, why were you so suspicious?

ERIC

The Omegas are what the Deltas became after those three got our charter revoked all those years ago.

HENRY

It's been a secret for decades. I couldn't risk you letting it out or the Dean would've shut us down.

SIMMS (O.S.)

Should I take them to the authorities, sir?

Sabrina and the gang scream, surprised, once more, that Simms was standing behind them.

HENRY

Yes, Simms. Thank you.

Simms removes the trio from the tree and takes them away.

SABRINA

After all that cardio today I'm gonna be dead tired by the time I get to class.

She laughs, but recomposes herself when nobody else does.

SABRINA

[TO SHAGGY] I guess that concludes the tour. Are there any final questions I can answer?

SHAGGY

Yeah, like, where's the dining hall again? Scoob and I still have some inspecting to do?

Shaggy looks over the campus map.

SCOOBY

Scooby-Dooby--

SIMMS (O.S.)

Will that be all?

Scooby leaps into Sabrina's arms, terrified by Simms.

SCOOBY

Yikes!

Everybody laughs.
